The Authority has over 35 families who are over housed and require one bedroom units and the list is growing each year as residents age in place and their children have left to start their own families. There simply are not enough units becoming available in Dunlap Homes to accommodate these transfers. At the same time the need for larger units by applicants cannot be accommodated if the Authority is unable to moved residents to appropriate sized units, Therefore, the policy is being changed to reflect that tenants will be required to transfer from the family sites to the senior sites if the family is eligible based on age or disability; and

WHEREAS, additionally, staff needs flexibility to prioritize transfers in cases where residents are violating the lease and transfer will help alleviate the violation by placing a resident in the appropriate size unit (such as when illegal borders are present). The Authority also needs flexibility to relocate residents who are severely overcrowded first (such as a resident in a four bedroom who needs a one bedroom);

NOW, THEREFORE BE IT RESOLVED, the Board of Commissioners of the Housing Authority of the City of Perth Amboy approves the amend to the Admissions and Occupancy Policy - Transfer Policy, as presented.

WHEREAS, the change in utility allowances will take effect at the time of reexamination for each family starting in June 2014;

TO APPROVE THE TERM FOR SERVICE CONTRACTS

WHEREAS, the Housing Authority currently solicits annual service contracts with the option to renew for one more year; and

WHEREAS, it has been advised that pursuant to N.J.S.A. 40A:11-15, contracts may be awarded for a period of up to 24 months:

40A:11-15. Duration of certain contracts

All contracts for the provision or performance of goods or services shall be awarded for a period not to exceed 24 consecutive months, except that contracts for professional services pursuant to subparagraph (i) of paragraph (a) of subsection (1) of section 5 of P.L. 1971, c. 198 (C.40A:11-5) shall be awarded for a period not to exceed 12 consecutive months. Contracts may be awarded for longer periods of time as follow;...

WHEREAS, further, these contracts have the option to renew for two additional twelve month (or one 24 month) term(s) under the same statute:

Any contract for services other than professional services, the statutory length of which contract is for three years or less, may include provisions for no more than one two-year, or two one-year, extensions, subject to the following limitations: a. The contract shall be awarded by resolution of the governing body upon a finding by the governing body that the services are being performed in an effective and efficient manner; b. No such contract shall

be extended so that it runs for more than a total of five consecutive years; c. Any price change included as part of an extension shall be based upon the price of the original contract as cumulatively adjusted pursuant to any previous adjustment or extension and shall not exceed the change in the index rate for the 12 months preceding the most recent quarterly calculation available at the time the contract is renewed; and d. The terms and conditions of the contract remain substantially the same.

WHEREAS, the advantages are many: Less administrative work, less chance of contract end dates being missed and better chance of getting better prices from contractors who know they can potentially have a four year contract. Also, if a contractor fails to perform, we can always terminate the contract and not be 'stuck' with them for 2 years;
