PHA Goal: To convert 60 Public Housing units to the Rental Assistance Demonstration Program

The Authority closed on the 29 units at Willow Pond (NJ006000014) in 2021. All public housing units were converted to RAD PBV effective 9/1/21. The remaining 31 public housing units at Parkview (NJ006000013) closed 3/31/22 ahead of the PAHA's 4/1/22 fiscal year start. All former PH units have been successfully converted to RAD PBV. This goal is complete.

PHA Goal: Low Income Housing Tax Credit Compliance

Staff continue to work with the Dunlap and Hansen RAD investors to ensure all 360 files are IRS compliant. The RAD tenant files are monitored and audited on an annual basis. Training for administrative and maintenance staff continues annually. The tenant files and properties will continue to be audited and inspected by PNC and the NJ HMFA. This goal has been met, and activities are on-going.

PHA Goal: Property Management Policies and Procedures

Property management staff and maintenance supervisors continue to review and revise all procedures to ensure compliance with RAD/PBV regulations, develop maintenance and preventive maintenance protocols, and focus efforts on tenant lease compliance. During 2023 work order procedures were reviewed and revised to better utilize technology in the process. During 2024 tenants will be educated and encouraged to use the on-line portal to submit work order requests and pay rent. Staff will also focus on reducing turnover time in reoccupying vacant units. This goal is on-going.

PHA Goal: Housing Choice Voucher and Project Based Voucher Policy Development and Implementation A draft admin plan incorporating HOTMA changes is complete, and the Authority will meet with tenants and the resident advisory board to obtain input during the 5 -year planning process.

PHA Goal-Housing Choice Voucher Participant Program Compliance: This effort is on-going. It will be supported by the update in program policies and procedures as stated above.

PHA Goal: Staff Development

The Authority continues to assess staff training needs and provide training and continuing education on an annual basis. Staff continue to be cross trained and prepared to take on more responsibility/opportunities. The Authority continues to prepare for staff retirements and resignations. HOTMA and NSPIRE implementation training is the current training priority. This activity is on-going.

PHA Goal: Technology

The Authority successfully implemented on-line application processing for both the RAD PBV and HCV programs in 2022. Applicants applied on-line and can submit documentation, update their applications, and see their waiting list status through the portal. Staff continue to use web-based document storage to increase efficiency in operations. The current focus is to educate tenants and participants to use the online portals to submit documentation for recertification, pay rent and submit work orders.

The authority is also enrolling landlords in the HCV landlord portal. Technology improvements remain on-going.

The Authority also continues to improve cybersecurity by implementing best practices and training staff on a regular basis. The Authority obtained cybersecurity insurance to further protect PII of program participants.

PHA Goal: Waiting Lists

The Authority reopened the waiting lists for the PBV and HCV programs during 2022. This goal is complete.

PHA Goal: Promote self-sufficiency and asset development of assisted households

The Authority was awarded \$224,645 to continue its FSS program for calendar year 2024. The Authority enrolled 12 new participants during FYE 3/31/24. The Authority's goal is to maintain an average of 75 enrollments each year. This goal has been achieved or exceeded every year.

PHA Goal: Increase assisted housing choices - Provide homeownership opportunities to families.

Not less than 2 new participants will be attracted annually into the Section 8 Voucher Homeownership Program. Four participants successfully purchased homes during FYE 3/31/24 using their vouchers. This goal remains on-going.
